

# Do you know how to access the new Sociology Student Repository?

The repository provides examples of orals reading lists, fellowship and grant applications, as well as job market applications.

## How is it accessed?

Using your GC Network credentials! This is the same log in you use to connect to wifi and email **without** the @gradcenter.cuny.edu  
See an example of log in below:

## Not working?

The GC requires that we change our network passwords every 180 days. Sometimes, we forget or confuse our passwords.

Try resetting your password.

This can be done at <https://passwordreset.gc.cuny.edu/>
